Additionally changes to the MPL will be bolded for easy identification. Prime Vendor contractors shall confirm receipt of this e-mail notification.

DLA Troop Support Subsistence Prime Vendors are required to expeditiously catalog the mandatory products and remove any commercial equivalent product with "essentially the same" product characteristics. For CONUS Prime Vendors, if the removal and replacement will take longer than 30 days after notification by the Contracting Officer, the Prime Vendor must provide the Contracting Officer with details for the delay. For OCONUS Prime Vendors, within 30 days of notification by the Contracting Officer the OCONUS Prime Vendor must provide the Contracting Officer with current details of issues (outstanding orders, product in the pipeline, etc.) and provide the date when the catalogs will be updated. Contracting Officers will notify the Subsistence Ability One Team.

Any other commercial equivalent product with "essentially the same" product characteristics cannot be sold to the DLA Troop Support customers under this contract. The contractor is not authorized to submit catalog changes containing other commercial equivalent products with "essentially the same" product characteristics as those items on the MPL.

The following criteria should be used in determining if a commercial product is "essentially the same" as an Ability One MPL item:

- It has effectively the same form, fit and function.
- The Ability One and commercial products may be used for the same purpose.
- The Ability One and commercial products are relatively the same size and a change in size will not affect the use or performance.
- The appearance, color, texture, or other characteristic of the Ability One product and commercial product are not significantly different from one another.

The only potential exception to this requirement is identified in paragraph G below.

If the Prime Vendor is requested to carry items commercially equivalent to MPL items but with unique packaging requirements provided by the supplier but not currently provided by the MPL source, the Prime Vendor must notify the Contracting Officer. Contracting Officers will notify the Subsistence Ability One Team.

Payments shall be made directly to the MPL designated source.

Monthly MPL Compliance Reports are issued for each active Prime Vendor catalog. The monthly MPL Compliance Reports are sent to each Prime Vendor for each of their catalogs and to each administering Contracting Officer. These reports are to be reviewed to ensure active catalogs include the MPL items. Prime Vendor contractors will be notified of non compliances.
