2. BACKGROUND:

Garden-Fresh Foods of Milwaukee Wisconsin is initiating an expansion to our voluntary recall on various ready-to-eat salads, slaw, and dip products sold under various brands and code dates (see attachment). The products may be contaminated with *Listeria monocytogenes*, an organism that can cause serious and sometimes-fatal infections in young children, frail or elderly people, and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, *Listeria* infection can cause miscarriages and stillbirths among pregnant women.

Products are sold in various size containers (6oz to 18oz packages). The products were distributed in the following states: WI, MN, IA, IL, OH, IN, TX, FL, MA, MO, MI, PA, AZ, CA, and distributed to retail stores and food services.

Consumers who have purchased any of the suspect products are urged to return it to the place of purchase for a full refund. Currently there has been no illness or complaints related to this recall.
