2. Background: Smokehouse Pet Products, Inc. of Sun Valley, CA is recalling all sizes and package types of dog treats labeled as “Beefy Munchies,” because it has the potential to be contaminated with Salmonella. Salmonella can affect animals eating the products and there is risk to humans from handling contaminated pet products, especially if they have not thoroughly washed their hands after having contact with the products or any surfaces exposed to these products.

Healthy people infected with Salmonella should monitor themselves for some or all of the following symptoms: nausea, vomiting, diarrhea or bloody diarrhea, abdominal cramping and fever. Rarely, Salmonella can result in more serious ailments, including arterial infections, endocarditis, arthritis, muscle pain, eye irritation, and urinary tract symptoms. Consumers exhibiting these signs after having contact with this product should contact their healthcare providers.

Pets with Salmonella infections may be lethargic and have diarrhea or bloody diarrhea, fever, and vomiting. Some pets will have only decreased appetite, fever and abdominal pain. Infected but otherwise healthy pets can be carriers and infect other animals or humans. If your pet has consumed the recalled product and has these symptoms, please contact your veterinarian. No illnesses have been reported to date in connection with this problem.

The potential for contamination was noted after routine sampling and testing by the Colorado Department of Agriculture revealed the presence of Salmonella in two 4-oz packages of “Beefy Munchies.”

3. Product affected: All lots and all sizes of “Beefy Munchies” was distributed nationwide through distributors selling to various retailers.

The product comes in individual bags, resealable bags and plastic tubs. The plastic tub will be labeled “Beefy Bites.” All sizes and packaging types will include a UPC code, lot number, and a best used by date of stamped on the back.

No illnesses have been reported to date in connection with this problem.

Please immediately place product on medical hold, and contact your supplier for disposition instructions.
