2. Background: Diamond Crystal Brands (DCB) and DOT FOODS voluntary recalls certain lots of dry blend puddings, cheesecake mix and baking powder sold by DCB after being notified by their supplier, United States Gypsum, of calcium sulfate that they are recalling (Terra Alba F&P lot number 092118) due to the product testing positive for *Salmonella enterica* ssp. *arizonae* and *Salmonella enterica* ssp. *diarizonae*. The calcium sulfate ingredient supplied by United States Gypsum was used in certain products sold by DCB that may be contaminated with *Salmonella*.

*Salmonella* is an organism that can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis.

No illnesses related to *Salmonella* have been reported to date; however, any affected product in inventory should not be sold, used or consumed.

3. Product affected: The affected product was shipped in the months of November and/or December.
