2. Background: Frito-Lay announced a limited voluntary recall of a very small number of 7 1/3 oz. bags of Stacy’s Simply Naked Pita Chips because they may contain undeclared milk ingredients. People who have an allergy or severe sensitivity to milk run the risk of a serious or life-threatening allergic reaction if they consume the product contained inside the recalled pita chips bags.

The recall was initiated after it was discovered that 228 bags of Stacy’s Simply Naked Pita Chips were inadvertently filled with another flavor of pita chips, potentially exposing consumers to undeclared milk. The product was distributed nationwide.

One consumer allergic reaction related to this matter has been reported to date.

Frito-Lay has informed the FDA of their actions.
