BACKGROUND: Russ Davis Wholesale (RDW) is recalling Peach Salsa under the Crazy Fresh and Quick & Easy brands in an abundance of caution due to possible contamination with *Salmonella*.

Salmonella may cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis.

This recall is in response to Wawona Packaging initiating a recall of peaches early in the day August 22, 2020 as an ingredient provider to Russ Davis Wholesale.

To date, Russ Davis Wholesale has not received any reported illnesses related to this organism.

Affected product was delivered to retail stores in Minnesota, Wisconsin, North Dakota, South Dakota, Michigan, Iowa, Nebraska, and Wyoming.

Some containers of peach salsa may have been purchased from the deli counter at grocery stores located in Ortonville, MN, Cross Lake, MN and Tipton, IA.

It is noteworthy to mention that the DoD sources fresh salsa product from Russ Davis Wholesale, Inc. VC# 08-0034 and VC# 27-0018 under the Crazy Fresh brand and delivery should not be limited to the aforementioned locations.

Five Bountiful Fresh gift baskets, also containing the recalled peaches were sold through one location in Hastings, MN.

Retailers have been instructed to remove affected products from store shelves and destroy.

Consumers are urged to immediately throw any product they may have away and not consume.
