MEMORANDUM FOR RECORD

SUBJECT: Sara Lee Frozen Bakery Issues Allergy Alert on Undeclared Peanuts in Pecan Pies

1. **REFERENCE.** DHA-MSR 6025.01/AR 40-660/ DLAR 6025.01/NAVSUPINST 10110.8D/AFI 48-161\_IP/MCO 10110.38D, DOD Hazardous Food & Nonprescription Drug Recall System, 6 September 2018.

2. **BACKGROUND.** Sara Lee Frozen Bakery (VC# 26-0053) announced the recall of specific lots of select Sara Lee, Chef Pierre and Devonshire pecan pies produced between March 4 and April 1, 2021, because the product may contain undeclared peanuts. People who have an allergy or severe sensitivity to peanuts run the risk of a serious or life-threatening allergic reaction if they consume the product.

Product was distributed nationwide through food service distributors. Recalled product details are listed in para. 3 and consumers who believe they have purchased recalled lot codes are urged to confirm the lot code with the place of purchase.

There have been no reports of illness or injury to date. This recall has been initiated due to the unintentional cross-contamination of raw pecans in shells with residual peanuts during agricultural transport and storage of pecans by a supplier. Immediate steps were taken to prevent recurrence.

Sara Lee Frozen Bakery (VC# 26-0053) is conducting this recall with the full knowledge and cooperation of the US Food and Drug Administration.

Sara Lee Frozen Bakery (VC# 26-0053) has instructed all impacted distributors to recall and destroy all product in market.

Consumers who believe they have purchased recalled lot codes are urged to confirm the lot code with the place of purchase and ask for a full refund if the UPC and lot code matches.
