2. **COMPANY ANNOUNCEMENT.** PepsiCo Inc. of Purchase, NY and Starbucks of Seattle, WA, known as the North American Coffee Partnership (NACP), initiated a voluntary recall of specific lots of Starbucks Doubleshot Espresso & Cream, Doubleshot Espresso & Cream Light, and Doubleshot Espresso & Salted Caramel Cream packaged in 6.5 oz. cans and sold in 4-pack and singles in a 12-pack case because of a potential issue with the sealing of the cans.

This voluntary withdrawal is being conducted with the knowledge of the Food and Drug Administration (FDA). While a detailed investigation is still underway, NACP has elected to voluntarily withdraw these lots effective immediately.

This withdrawal applies only to the products listed below. No other Starbucks products are impacted by this voluntary withdrawal.

Next Steps for the Retailer:

- Please immediately stop selling, isolate and remove any of the listed products from your retail store shelves and place in the back room for pick up from your local sales representative.
- You will receive full credit for any product that is authorized to be returned.
- A local sales representative or Account Manager will be contacting you to discuss this further and make arrangements for removal and credit for the impacted product from your store(s).

CONSUMER SAFETY OFFICER NOTE: An issue with adequate sealing of canned coffee products potentially lead to premature spoilage. The FDA classified this as a Class II Recall.
