MEMORANDUM FOR RECORD

SUBJECT: The J. M. Smucker Co. Issues Voluntary Recall of Select Jif® Products Sold in the U.S. for Potential Salmonella Contamination

1. **REFERENCE.** DHA-MSR 6025.01/AR 40-660/ DLAR 6025.01/NAVSUPINST 10110.8D/AFI 48-161_IP/MCO 10110.38D, DOD Hazardous Food & Nonprescription Drug Recall System, 6 September 2018.

2. **COMPANY ANNOUNCEMENT.** The J. M. Smucker Co. is recalling select Jif® peanut butter products sold in the U.S. due to potential Salmonella contamination. Salmonella is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with Salmonella often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with Salmonella can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis. If consumers have products matching the above description in their possession, they should dispose of it immediately.

This recall is being conducted in cooperation with the U.S. Food and Drug Administration.

Based on the information known to date, we are unable to estimate the financial impact of the recall either on our fiscal year ended April 30, 2022, or on our current fiscal year 2023. We will provide additional information as soon as possible.

Cautionary Statement Regarding Forward-Looking Statements

This press release contains forward-looking statements that are subject to known and unknown risks and uncertainties that could cause actual results to differ materially from any future results, performance, or achievements expressed or implied by those forward-looking statements. Readers should understand that the risks, uncertainties, factors, and assumptions listed and discussed in this press release, including the following important factors and assumptions, could affect the future results of the Company and could cause actual results to differ materially from those expressed in the forward-looking statements:

UNCLASSIFIED

- the impact of food security concerns involving either our products or our competitors’ products, including product recalls;
- the impact of the COVID-19 pandemic on our business, industry, suppliers, customers, consumers, employees, and communities;
- disruptions or inefficiencies in our operations or supply chain, including any impact caused by product recalls, political instability, terrorism, armed hostilities (including the recent outbreak of hostilities between Russia and Ukraine), extreme weather conditions, natural disasters, pandemics (including the COVID-19 pandemic), or other calamities;
- risks related to the availability of, and cost inflation in, supply chain inputs, including labor, raw materials, commodities, packaging, and transportation;
- risks associated with derivative and purchasing strategies we employ to manage commodity pricing and interest rate risks;
- our ability to generate sufficient cash flow to continue operating under our capital deployment model, including capital expenditures, debt repayment, dividend payments, and share repurchases;
- our ability to implement and realize the full benefit of price changes, and the impact of the timing of the price changes to profits and cash flow in a particular period;
- general competitive activity in the market, including competitors’ pricing practices and promotional spending levels;
- the concentration of certain of our businesses with key customers and suppliers, including single-source suppliers of certain key raw materials and finished goods, and our ability to manage and maintain key relationships;
- impairments in the carrying value of goodwill, other intangible assets, or other long-lived assets or changes in the useful lives of other intangible assets or other long-lived assets; and
- risks related to other factors described under “Risk Factors” in other reports and statements we have filed with the Securities and Exchange Commission.

Readers are cautioned not to unduly rely on such forward-looking statements, which speak only as of the date made, when evaluating the information contained in this press release. The Company undertakes no obligation to update or revise these forward-looking statements, which speak only as of the date made, to reflect new events or circumstances.
