MEMORANDUM FOR RECORD

SUBJECT: Conagra Brands, Inc., Recalls Frozen Beef Products Due to Misbranding and Undeclared Allergens

1. **REFERENCE:** DHA-MSR 6025.01/AR 40-660/ DLAR 6025.01/NAVSUPINST 10110.8D/AFI 48-161_IP/MCO 10110.38D, DOD Hazardous Food & Nonprescription Drug Recall System, 6 September 2018.

2. **COMPANY ANNOUNCEMENT:** Conagra Brands, Inc., a Russellville, Ark. establishment, is recalling approximately 119,581 pounds of frozen beef products due to misbranding and undeclared allergens, the U.S. Department of Agriculture's Food Safety and Inspection Service (FSIS) announced today. The product contains egg, a known allergen, which is not declared on the product label.

The products subject to recall bear establishment number "P115" on the side panel above the nutrition facts. These items were shipped to retail locations nationwide and impacts only the P.F. Chang's Home Menu Beef & Broccoli product listed. It does not include any product sold at P.F. Chang's restaurants.

The problem was discovered when the producing establishment notified FSIS that it received two consumer complaints that the beef and broccoli package contained a chicken-based product. There have been no confirmed reports of adverse reactions due to consumption of these products. Anyone concerned about an injury or illness should contact a healthcare provider.

FSIS is concerned that some product may be in consumers' freezers. Consumers who have purchased these products are urged not to consume them. These products should be thrown away or returned to the place of purchase.

3. **PRODUCTS AFFECTED:** The frozen beef products are labeled as beef and broccoli but contain orange chicken. These items were produced on May 26 and May 27, 2022. The following products are subject to recall.

- 22-oz. plastic bag packages containing "P.F. CHANG'S HOME MENU BEEF & BROCCOLI" with lot code "5006 2146 2012" and "BEST BY MAY 21 2023".
