2. **COMPANY ANNOUNCEMENT:** Nestlé USA is initiating a voluntary recall of a limited quantity of Edible Chocolate Chip Cookie Dough tubs from NESTLÉ® TOLL HOUSE® due to the potential presence of soft plastic film.

While no illnesses or injuries have been reported, we took action out of an abundance of caution after a small number of consumers contacted Nestlé USA about this issue.

Nestlé recently initiated a separate and unrelated recall for NESTLÉ® TOLL HOUSE® Stuffed Chocolate Chip Cookie Dough with Fudge Filling. Following each instance, we took immediate action to address the specific issue. We work closely with our suppliers and factory teams to ensure that our products are safe and meet the expectations of our consumers. We are working with the U.S. Food & Drug Administration (FDA) on this voluntary recall and will cooperate with them fully. The quality, safety and integrity of our products remain our number one priority. We sincerely apologize for any inconvenience this action represents to both our consumers and retail customers.

Consumers who may have purchased these three batch codes (22135554RR, 22145554RR, 22155554RR) of Edible Chocolate Chip Cookie Dough tubs from NESTLÉ® TOLL HOUSE® should not consume the product and should return the product to the retailer where it was purchased for a replacement or refund.
