MEMORANDUM FOR RECORD

SUBJECT: Mondelēz Global LLC Voluntarily Recalls *belVita* Breakfast Sandwiches – Cinnamon Brown Sugar with Vanilla Crème & Dark Chocolate Crème Varieties (allergen – peanut)

1. **REFERENCE:** DHA-MSR 6025.01/AR 40-660/ DLAR 6025.01/NAVSUPINST 10110.8D/AFI 48-161_IP/MCO 10110.38D, DOD Hazardous Food & Nonprescription Drug Recall System, 6 September 2018.

2. **COMPANY ANNOUNCEMENT:** Mondelēz Global LLC announced today a voluntary recall of two varieties of *belVita Breakfast Sandwich* products, manufactured in the United States and sold nationwide, due to the possibility that the products may contain undeclared peanut resulting from cross-contact on a single manufacturing line. People who have an allergy or severe sensitivity to peanut may risk serious or life-threatening allergic reactions by consuming these products.

We became aware of this issue during an internal manufacturing inspection, when we found the potential presence of peanut protein residue on the line used to make these products. There have been three unconfirmed reports of possible allergic reaction to date related to these products.

This recall is limited exclusively to the *belVita Breakfast Sandwich* products listed in the grid below, available at retail stores nationwide. No other *belVita* products, Mondelēz Global LLC products, or markets outside the United States are included in or affected by this recall unless they received their product from a U.S. distributor.

This recall is being conducted with the knowledge of the U.S. Food and Drug Administration.

3. **PRODUCTS AFFECTED:** The products being recalled are available at: <http://ml.globenewswire.com/Resource/Download/9f3c729b-54e5-4612-ae50-405c1f06a8c8> or in the below table.
