MEMORANDUM FOR RECORD

SUBJECT: Mondelēz Global LLC Conducts U.S. Voluntary Recall of Four Carton Sizes of RITZ Peanut Butter Cracker Sandwiches Due to Labeling Error

1. REFERENCE: DHA-MSR 6025.01/AR 40-660/ DLAR 6025.01/NAVSUPINST 10110.8D/AFI 48-161_IP/MCO 10110.38D, DOD Hazardous Food & Nonprescription Drug Recall System, 6 September 2018.

2. COMPANY ANNOUNCEMENT: Mondelēz Global LLC announced today a voluntary recall of four carton sizes of RITZ Peanut Butter Cracker Sandwiches (8-pack, 20-pack, and 40pack cartons of RITZ Peanut Butter Cracker Sandwiches, as well as the 20-pack RITZ Filled Cracker Sandwich Variety Pack carton) manufactured in the United States and sold nationwide. The affected cartons include individually wrapped packs that may be incorrectly labeled as Cheese variety even though the product may be a Peanut Butter variety. People who have an allergy or severe sensitivity to peanuts may risk serious or life-threatening allergic reactions by consuming this product.

All outer cartons affected are labeled correctly and provide an allergen advisory statement indicating that the product “contains peanuts.”

There have been no reports of injury or illness reported to Mondelēz Global LLC to date related to this product, and we are issuing this recall as a precaution.

The recall was initiated after Mondelēz Global LLC discovered that film packaging rolls used to package individually wrapped products containing peanut butter may contain defects due to a supplier error. Corrective actions are being taken to help ensure this issue does not recur.

3. PRODUCTS AFFECTED: This recall is exclusively for the 8-pack, 20-pack, and 40-pack RITZ Peanut Butter Cracker Sandwich cartons and the 20-pack RITZ Filled Cracker Sandwich Variety Pack carton, with Best When Used By Dates listed in the grid below, available at retail stores nationwide. No other RITZ products or Mondelēz Global LLC products are included in, or affected by, this recall.
