MEMORANDUM FOR RECORD

SUBJECT: Expansion of ALFOODACT 2026-004 Ajinomoto Foods North America, Inc. Expands Recall for Chicken and Pork Fried Rice, Ramen, and Shu Mai Products Due to Possible Foreign Matter Contamination

1. REFERENCE: DHA-MSR 6025.01/AR 40-660/ DLAR 6025.01/NAVSUPINST 10110.8D/AFI 48-161_IP/MCO 10110.38D, DOD Hazardous Food & Nonprescription Drug Recall System, 6 September 2018.

2. COMPANY ANNOUNCEMENT: Ajinomoto Foods North America, Inc., a Portland, Ore., establishment, is expanding its Feb. 19, 2026, recall of frozen not ready-to-eat (NRTE) chicken products that may be contaminated with foreign material, specifically glass, the U.S. Department of Agriculture's Food Safety and Inspection Service (FSIS) announced today. The establishment is recalling approximately 33,617,045 additional pounds of various ready-to-eat (RTE) and NRTE chicken and pork fried rice, ramen, and shu mai dumpling products, for a combined total of 36,987,575 pounds subject to recall.

The problem was discovered when the establishment notified FSIS that it received multiple consumer complaints involving glass found in product. Upon further investigation, the establishment determined that a vegetable source ingredient, specifically carrots, was the likely source of the glass contamination, which also impacted the additional products subject to this expanded recall. There have been no confirmed reports of injury due to consumption of this product. Anyone concerned about an injury should contact a healthcare provider.

3. PRODUCTS AFFECTED: This expansion includes 16 products produced between October 21, 2024, and February 26, 2026, under brand names Ajinomoto, Kroger, Ling Ling, Tai Pei, and Trader Joe's. These products have best-by dates ranging from February 28, 2026, through August 19, 2027.

The products subject to recall bear establishment number P-18356, P-18356B, or P-47971 inside the USDA mark of inspection. The items were shipped to retail locations nationwide. Certain Ajinomoto items were exported to Canada and Mexico.
