MEMORANDUM FOR RECORD

SUBJECT: Second Nature Brands Issues Allergy Alert on Undeclared Cashews, Pistachios, and Cherries in Keto Crunch Smart Mix

1. REFERENCE: DHA-MSR 6025.01/AR 40-660/ DLAR 6025.01/NAVSUPINST 10110.8D/AFI 48-161_IP/MCO 10110.38D, DOD Hazardous Food & Nonprescription Drug Recall System, 6 September 2018.

2. BACKGROUND: Second Nature Brands of Madison Heights, MI, is voluntarily recalling certain 10-ounce packages of SECOND NATURE KETO CRUNCH SMART MIX™ because the product may contain undeclared cashews, pistachios, and cherries.

Individuals who have an allergy or severe sensitivity to tree nuts, including cashews and pistachios, or to cherries, may be at risk of serious or life-threatening allergic reactions if they consume this product.

The affected product was distributed nationwide in retail stores and through online orders.

The product comes in a 10-ounce pouch with UPC 077034013405. Affected pouches are marked with “Best if used by 2/12/2027” on the backside of pouch. Packages with other Best if used by dates are not affected.

No illnesses have been reported to date in connection with this issue.

The recall was initiated after it was discovered that product containing cashews, pistachios, and cherries was distributed in packaging that did not reveal the presence of these allergens. Subsequent investigation indicates the problem was caused by a temporary breakdown in the company's production and packaging processes. Consumers who have purchased 10-ounce packages of Second Nature Keto Crunch Smart Mix with Best if used by 2/12/2027 should not consume the product and should contact Second Nature Brands for a full refund. This recall is being made with the knowledge of the U.S. Food and Drug Administration.
