MEMORANDUM FOR RECORD

SUBJECT: Ukrop's Homestyle Foods Announces a Voluntary Recall Due to Possible Foreign Object

1. REFERENCE: DHA-MSR 6025.01/AR 40-660/ DLAR 6025.01/NAVSUPINST 10110.8D/AFI 48-161_IP/MCO 10110.38D, DOD Hazardous Food & Nonprescription Drug Recall System, 6 September 2018.

2. BACKGROUND: Ukrop's Homestyle Foods, a Richmond, Va., establishment, is recalling approximately 22,880 pounds of baked spaghetti and chicken cobbler products that may be contaminated with foreign material, specifically metal slivers, the U.S. Department of Agriculture's Food Safety and Inspection Service (FSIS) announced today.

These items were shipped to retail locations in North Carolina, Virginia, West Virginia, the Department of Defense and online sales.

The problem was discovered after the establishment received a consumer complaint regarding a metal piece found in a fully cooked product.

There have been no confirmed reports of injuries due to consumption of these products. Anyone concerned about an injury should contact a healthcare provider.

FSIS is concerned that some product may be in consumers' refrigerators or freezers. Consumers who have purchased these products are urged not to consume them. These products should be thrown away or returned to the place of purchase.
