ITEMS	Government Overall Minimum (GOMR)	Government Overall Maximum (GOMAX)
0001 MRE Assembly	[REDACTED] Cases	[REDACTED] Cases
0002 HDR	[REDACTED]	[REDACTED]
0003 Meal, Individual Pork Free	[REDACTED]	[REDACTED]

The Government Overall Minimum Requirement (GOMR) is the total guaranteed minimum under this contract and will be apportioned among the resulting IQCs. The GOMAX is the total maximum that can be ordered under this contract without using the surge option provisions. The GOMR and GOMAX quantities will apply to all resulting IQCs combined. Thus, the GOMR will be allocated based on the evaluation procedures spelled out in section M of the solicitation SPE3S1-21-R-0002 (i.e. the guaranteed minimum for each resulting IQC will depend on how the GOMR is allocated).

* Note: Item 0003 does not have its own GOMR or GOMAX. Instead, orders of item 0003 will apply toward the GOMR and GOMAX of item 0001 because item 0003 is just a specific type of MRE.

DLA Troop Support will establish Rations National Contracts (RNC) with component manufacturers, and will authorize the MRE assemblers to order directly from the national contracts in lieu of DLA providing the components as GFM. The Rations National Contracts will establish the component prices, but the assemblers, Wornick, SOPAKCO, and AmeriQual, will order and pay for the material directly. The assemblers will have full control over when to order, how much to order, and have full responsibility for the supply chain and inventory. See FAR 52.216-19 - Order limitations for more information.

Note: Terms and conditions of the individual component contract shall prevail in case of a conflict between the MRE assembly contract(s) and this individual component contract.
