Item: **Pan Coated candy, Disks, Peanut butter, plain (Type IV, Style A, Flavor 4)**

Document: **CID A-A-20177F, Candy and Chocolate Confections and PKG & QAP**

Approximate Caloric Value Per Serving: **240**                      Component Classification: **Primary**

Estimated Shelf Life: **36 months at 80°F**

**Item Characteristics**

Appearance:            The pan coated candy shall have a candy shell with a high gloss and the colors shall be vibrant (high chroma) and uniform (not mottled) in hue. Disks shall resemble a double convex lens in shape. The plain disks must have a peanut butter center covered with a thin candy shell. The disks shall be uniformly shaped and consist of at least three different colors.

Odor:                    Sweet, peanut butter.

Flavor:                 Sweet exterior coating with peanut butter center.

Texture:                Crunchy exterior with a firm, smooth center.

**Possible Deteriorative Changes**

Appearance:          Hairline cracking, darkening, mottling and dulling of color, interior darkening.

Odor:                    Oxidative rancidity, low peanut odor.

Flavor:                 Rancid peanut, low peanut flavor.

Texture:                Moderate hardening of coating and toughening of interior to the point of imparting discomfort to the user when chewing.
