	Re-closeable Interlocking Plastic Bag	

Note 1: The ration assemblers may request a substitution for components that they are having difficulty obtaining or producing. Where a component is found to vary from what is listed under the menu, notation in the inspection report is adequate and there is no need to contact the procurement agency.

Note 2: Each case has a total of 10 menus (4 each of menu 1 and 3 each of menus of 2 and 3)
