A modification was previously issued to this contract incorporating FAR 52.204-27 Prohibition on a ByteDance Covered Application (JUN 2023). Due to a system error, the modification number appearing in Block 2 of the SF-30 for that modification incorrectly duplicated the number of an existing modification. In order to correct this duplication and avoid confusion in identifying the modifications to this contract, this modification incorporates and re-numbers the previous modification incorporating FAR 52.204-27 to the number appearing in Block 2 above. All contract terms and conditions remain unchanged.
