

**LOCAL AGREEMENT- ARTICLE 6
USE OF OFFICIAL FACILITIES AND SERVICES**

SECTION 1.D.

1. The Employer will continue to provide the Union with office space for the exclusive use of the Union and will be easily accessible, providing for privacy of its users. AFGE local 2004 and 1156 will retain currently provided/occupied office space as long as the facilities remain available.
2. The Employer agrees that should the occasion arise necessitating the Union's office(s) be relocated, office space will be provided that is at least equivalent to the space being vacated. The Employer will provide the Union with adequate notification to make moving arrangements, prior to relocation whether of temporary or permanent nature:
3. The Employer will provide DSN and class a telephone lines, installed in the office space provided. The Employer will make available computers /laptops with full internet access, fax machines, scanner, telephones, voicemail, copier, office furniture with lockable file cabinets and supporting supplies.
4. PARKING -Currently designated Union parking spaces on the New Cumberland installation will be maintained. Parking in proximity of installation facilities is subject to compliance with JSIVA findings and recommendations. Handicapped parking will be designated in accordance with Department of Justice requirements. The Employer will provide an additional Union "Business" Parking space in proximity of the EDC Employee Entrance (Service Vehicle Area).
5. BULLETIN BOARDS- The Employer agrees to provide adequate space on or in the vicinity of all official bulletin boards (approx. 1/3) for Official Union use.

SECTION 2.8.

1. The Employer will provide access to health and fitness centers where available.
2. SMOKING AREAS
 - a. In accordance with DoD Instruction 1010.5, the Employer shall provide outdoor smoking areas which are reasonably accessible to Employees and provide a measure of protection (e.g. overhead cover) from the elements. Smoke break areas will be away from common points of ingress and/or egress into and/or out of DDSP buildings (minimum 25 feet) and not in

front of building air intake ducts. Smoking areas at the Mechanicsburg site will be in accordance with Installation policy.

b. Process for establishing designated smoking areas- The Employer and Union will work together to jointly identify designated smoking area(s) for each facility. The intent is to establish smoking areas in safe, accessible locations, and where possible in proximity to established break areas. Once areas are agreed upon, protection from the elements will be provided subject to availability of resources. Signs will be posted to clearly identify designated smoking areas. Fire proof containers to be provided by Employer.

c. The Employer will provide smoking cessation programs/classes.
