GENERAL ORDER
NO. 28-85

24 Jul 85

I. Authority: Deputy Under Secretary of Defense (Research and Advanced Technology) Memorandum, 25 April 1985, subject: Defense Logistics Agency Professional Support.

II. Pursuant to cited authority and effective 14 July 1985, the DoD Mission Critical Computer Resources Analysis Office (DMAO), an Under Secretary of Defense Research and Engineering Management Support Activity (MSA) is redesignated the DoD Technology Analysis Office (DTAO) and is realigned with the establishment of the Office of the Director; two branches in the Technology Studies Division; i.e., the Mission Critical Computer Resources (MCCR) Technology Studies Branch and the Systems Technology Studies Branch; the Ada Validation Division; Technology Assessment Division consisting of the Defense System Support Branch and the Mission Critical Computer Resources (MCCR) Support Branch; the Very High Speed Integrated Circuits/Electronic Devices (VHSIC/ED) Support Division; and the Computer Resources Analysis Division.

III. Under the general direction of the Deputy Under Secretary of Defense (Research and Advanced Technology), the Defense Technology Analysis Office (DTAO) is responsible for:

A. Providing Mission Critical Computer Resources (MCCR) professional engineering and computer science support through independent evaluations, analytical reviews and technical studies.

B. Assessing the impact of Defense Computer Resources Board (DCRB) recommendations on systems which are an integrated part of a weapon system (IPWS).

C. Providing a full range of technical, acquisition, and management support studies, reviews, services, and analyses for the Computer Resources Council (CRC), the Defense System Acquisition Review Council (DSARC) and other DoD organizations upon request.

D. Managing the operation of the Ada Validation Office.

E. Planning, coordinating, and executing initiatives to insert VHSIC technology into operational weapons systems.

IV. Administrative Support to DTAO will be provided by the Commander, DLA Administrative Support Center (DASC). The DoD Project Engineering Services Office (PESO) will continue to provide administrative office activity support for PESO and the DoD Weapon Support Improvement and Analysis Office (WSIAO).
