GENERAL ORDER

NO. 10-86

6 Mar 86

I. Authority: Assistant Secretary of Defense (Acquisition and Logistics) Memorandum, 13 February 1986, subject: Enhancing DLA Management Support Activities (MSA) and DLA-D approval of DLA-LPO Staff Summary Sheet dated 26 February 1986, subject: Realignment of the ASD(A&L) Management Support Activities (MSAs).

II. Pursuant to cited authority and effective 23 March 1986, the Defense Data Management Office (DDMO), an Assistant Secretary of Defense (Acquisition and Logistics) Management Support Activity (MSA) is established. Under the program accountability of the Deputy Assistant Secretary of Defense (Production Support) (DASD(PS)) and with performance accountability to the Director for Standardization and Data Management, DASD(PS)(SDM), the Defense Data Management Office (DDMO) is responsible for:

A. Managing the DoD Data Management Program including all contractually acquired data, automation of technical data and selected standardization areas.

B. Developing DoD-wide policy and providing guidance, leadership and problem resolution concerning technical and non-technical data management, the determination of data requirements, the acquisition of required data, dissemination of data, development of technical data storage and retrieval systems, and clearance of contractual data requirements.

C. Managing Technical Manuals (TM) including their acquisition.

D. Maintaining and publishing the Acquisition Management Systems and Data Requirements Control List (AMSDL).

III. Administrative support to DDMO will be provided by the Commander, DLA Administrative Support Center (DASC).
