DLA-LPO

GENERAL ORDER  
NO. 17-86

6 June 86

I. Authority: DLA-D approval of the DLA-LPO Staff Summary Sheet dated 27 May 1986, subject: Proposed Reorganization of the Installations Division of the Office of Installation Services and Environmental Protection.

II. Pursuant to cited authority and effective 15 June 1986, the Installations Division (DLA-WI) of the Office of Installation Services and Environmental Protection (DLA-W) is realigned as follows:

A. The Facilities Engineering and Construction Branch (DLA-WIE) is disestablished.

B. The Military Construction and Equipment Support Branch (DLA-WIC) is established and is responsible for managing the Military Construction Program for DLA and providing technical engineering support for the installation of equipment, to include cabling, air conditioning systems, uninterruptible power supplies, and motor generators.

C. The Facilities Engineering Branch (DLA-WIR) is established and the Chief is responsible for developing and administering DLA programs for real property; major repair and minor construction; utility construction; custodial; fire prevention/protection; and refuse collection and disposal.

III. Administrative support for DLA-WI will continue to be provided by the DLA Administrative Support Center.
