GENERAL ORDER

NO. 19-86

7 Jul 86

I. Authority: Assistant Secretary of Defense (Acquisition and Logistics) Memorandum, 10 June 1986, subject: Review and Evaluation of Automated Information Systems; and DLA-D approval of DLA-LPO Staff Summary Sheet dated ^{23 Jun} ~~10 Jun~~ 1986, subject: Establishment of the Automated Information Systems (AIS) Plans, Resources, and Requirements Division within PESO.

II. Pursuant to cited authority and effective 6 July 1986 the DoD Product Engineering Services Office (PESO), an Assistant Secretary of Defense (Acquisition and Logistics) Management Support Activity (MSA) is expanded by the establishment of an additional division; i.e., the Automated Information Systems (AIS) Plans, Resources, and Requirements Division. The Division will have program accountability to the Deputy Assistant Secretary of Defense for Programs and Resources, DASD(P&R) and performance accountability to the Director, Acquisition and Logistics Information Systems (A&LIS).

III. The Automated Information Systems (AIS) Plans, Resources, and Requirements Division will be responsible for:

A. Overseeing the policy planning and use of automated systems in the DoD Components.

B. Evaluating information systems requirements, management and production capabilities.

C. Performing selective assessments of major automated information systems projects and systems in regard to life cycle management, program management, resources management, technical viability, acquisition strategy, transition, security, and interfaces.

D. Developing and maintaining an Acquisition and Logistics Long Range Plan for information systems.

E. Supporting the Acquisition and Logistics Research and Studies Program.

IV. The current structure of PESO remains intact with program accountability to the Deputy Assistant Secretary of Defense (Programs and Resources), DASD(P&R) and performance accountability to the Director for Major Systems Acquisition.

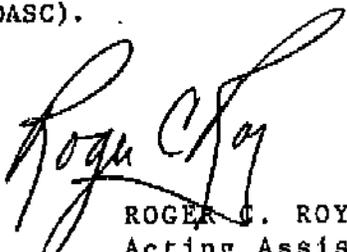

V. The DoD Product Engineering Services Office (PESO) will provide administrative office activity support for the Automated Information Systems (AIS) Plans, Resources, and Requirements Division.

VI. Administrative support to PESO will continue to be provided by the Commander, DLA Administrative Support Center (DASC).
