**GENERAL ORDER
NO. 25-86**

11 September 1986

I. Authority: DLA-D approval of DLA-LPO Staff Summary Sheet dated 13 August 1986, subject: Consolidation of DLA Depot Modernization Activities.

II. Effective 1 October 1986:

A. The DLA Depot Operations Support Office (DOSO) is established at Richmond, Virginia as a Management Support Activity (MSA) of the Depot Operations Division (DLA-OW), Directorate of Supply Operations. Under the management, direction and control of the Chief, DLA-OW, the Chief, DOSO is responsible for providing direct support on the initiation, review, amending, monitorship to include the design, development and acquisition and implementation of individual Automated and Mechanized Materiel Handling Systems (AMHS/MMHS). DOSO is responsible for management of DLA depot modernization projects to include planning, coordination, acquisition, engineering, integration and implementation and for development of specifications and technical requirements for materiel handling equipment. Serves as the DLA focal point for project management of the DoD LOGMARS program, including maintaining awareness of LOGMARS equipment.

B. The Project Management Office for the Integrated Material Complex, Defense General Supply Center (DGSC), is disestablished and its missions and functions transferred to the DOSO.

C. The DLA Depot Mechanization Support Office (DMECSO) is disestablished and its missions and functions transferred to the DOSO.

D. DLA General Order No. 8-82, 4 June 1982 is rescinded.

III. The DLA Systems Automation Center (DSAC) will continue to be responsible for on-site automated information systems support for the DLA Depot modernization effort through the DLA Standard Warehousing and Shipping Automated System (DWASP).

IV. Procurement support for DOSO and on-site DSAC personnel will continue to be provided by DGSC as well as administrative support.
