HEADQUARTERS  
CAMERON STATION

ALEXANDRIA, VIRGINIA 22304-6190

DLA-LP

6 September 1990

GENERAL ORDER  
NO. 26-90

I. Authority: DLA-DD direction of 6 September 1990, subject: Realignment of Existing Organizations in the Office of Installation Services and Environmental Protection (DLA-W).

II. Pursuant to cited authority and effective immediately, the organizational realignments in the Office of Installation Services and Environmental Protection (DLA-W) are as follows:

A. The Defense Environmental Protection Office (DEPO) is disestablished as a branch level MSA and reestablished as a division of DLA-W. The name of the new division will be the Environmental Division, DLA-WE.

B. One branch is disestablished in the Installations Division (DLA-WI):

Facilities Planning (DLA-WIM)

C. The Defense Engineering Assistance Support Office (DEASO-WE) is disestablished as a division level MSA and reestablished as a division of DLA-W. The name of the new division will be the Installation Planning and Engineering Support Division (DLA-WP) and it will contain two branches:

Master Planning (DLA-WPM)

Engineering Support (DLA-WPS)

D. Two branches are established in the formerly unstructured Field Support Division (DLA-WS):

Operating Materiel Management (DLA-WSO)

Installation Support (DLA-WSI)

III. The redesignation of DEPO and DEASO as HQ divisions is in response to a decision by the Director, DLA, to reduce the number of DLA MSAs. The elevation of the Environmental Protection Office to division level will provide the capability to respond to the new emphasis in the environmental protection mission. The balance of the proposed realignment is designed to consolidate like or compatible functions and make the organization more responsive to its mission.

IV. Administrative support will be provided by the DLA Administrative Support Center.

BY ORDER OF THE DIRECTOR

CHRISTINE L. GALLO  
Acting Assistant Director  
Policy and Plans
