**GENERAL ORDER
NO. 27-91**

2 October 1991

I. AUTHORITY: Under Secretary of Defense (Acquisition) (USD(A)) memorandum of 22 July 1991, subject: Defense Technical Information Center (DTIC).

II. Pursuant to cited authority and effective 4 August 1991, DTIC is disestablished as a DLA Primary Level Field Activity (PLFA) and the mission and functions transferred to the Director, Acquisition Policy and Program Integration, Under Secretary of Defense for Acquisition. The Deputy Director, Management Systems, Acquisition Policy and Program Integration (AP&PI(MS)) has direction, authority, and control over functions and responsibilities of DTIC and DTIC administered Information Analysis Centers (IACs) to include their program and fiscal operations. This includes responsibilities and activities related to the PPBS process. Additionally, the Deputy Director, Management Systems, AP&PI, will be the rating official for the DTIC Administrator and review and approve organizational and resource changes.

III. DLA will provide administrative support to DTIC. Such support will include, but not be limited to, personnel, payroll, office space/security, and contracting (including the IACs). DTIC personnel will remain on DLA rolls. Detailed support requirements for DTIC will be provided through negotiated Interservice Support Agreements.

IV. General Order NO. 18-91 is rescinded.
