**GENERAL ORDER**  
**NO. 21-98**

July 27, 1998

**I. AUTHORITY: Program Budget Decision 401, dated December 4, 1997, subject: Joint Logistics System.**

**II. Pursuant to cited authority and effective July 19, 1998, the Logistics Community Manager (LCM) is established in the Defense Logistics Support Command. DLA is the DoD Executive Agent for LCM. The LCM will have an office symbol of DLSC-LG and report to the Executive Director, Logistics Management (DLSC-L).**

**III. The LCM's mission is to initiate and accelerate the development and implementation of an interoperable logistics infrastructure and shared data environment across Components, agencies, and private industry in support of the Joint Warfighter. DLSC-L will provide overall execution direction as a neutral party, ensuring the collective direction of all parties is carried out. For FY 98, the LCM fiscal resources will be reimbursed to DLA from the LCM budget contained within the JLSC Annual Operating Budget.**

**IV. The Defense Automated Printing and Support Center will provide administrative support to DLSC-LG.**
